# On the Subject of Ro

...man? ...bot? ...utine? ...chambeau?

- Pressing a button cycles the diamonds surrounding it one space counterclockwise.
- The module will solve when the colors are arranged so that they match the table below. The numbers will appear if colorblind mode is enabled.

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
